

24th Annual

Lost in the 50s

Don't miss Sandpoint's biggest party of the year! May 14-17

FRIDAY & SATURDAY ANNUAL DANCE & SHOW

Who better to start the party than **The Crystals**. With hits like "Updown," "There's No Other," "Like My Baby," "He's a Rebel," "Do Do Ron Ron," plus "And Then He Kissed Me," they're one of the best girls' groups of all time!

It's a great night of music when you have the best house band on the planet! After 15 years of playing Lost in the 50s, **Rocky and the Rollers** are like a part of our family.

The house rocks with **Johnny Thunder**, an amazing entertainer whose hit "Loop De Loop" sold over one million copies. Thunder toured with the Ink Spots and was a member of the Drifters band. His show's a treat.

Sandpoint's legendary rock 'n' roll party of the year is back! Poodle skirts, hot rods and good times return for the 24th Annual Lost in the '50s celebration. It's the perfect weekend to put the top down, crank up the radio and get lost in the fun!
